

IMPORTANT NOTICE TO RESIDENTS/BUSINESSES

Northshore Christmas Boat Parade Event

Sunday 18 December 2022

The inaugural Northshore Christmas Boat Parade will be held on Sunday 18 December 2022, with activities planned across the precinct from 4:00 pm to 9:00 pm.

For more details about the event, please visit www.christmas.northshorebrisbane.com.au

There will be five entertainment hubs along the waterfront – Portside Wharf, Eat Street, Hamilton Reach, Maritime Green, and the riverfront – for families, residents and partygoers to watch the parade.

See map over page.

What you can expect on the day:

You can expect to see crowds across the Northshore waterfront, car parking at full capacity, and a road closure at the intersection of Angora Road and MacArthur Avenue. The road closure through to Hamilton Reach will limit access for non-residents. There will also be traffic management officers along MacArthur Avenue to direct traffic and manage car parking. We are encouraging attendees to use public transport – particularly the City Cats which will remain running to schedule throughout the event.

The pop-up park at the end of Wharf Close will also be closed from midday on Sunday 18 December as this will be a viewing area for the event. Please use the Hercules Street Park dog park for the afternoon.

Around 6:00 pm the RACQ LifeFlight Helicopter will complete a low fly over along the river. Residents may experience some noise.

A short fireworks display is scheduled for around 8:00 pm across the water as indicated on the map. Residents are reminded to supervise children, and make sure their pets are safely indoors during the 10-minute display.

The evening will officially close at 8:30 pm. Eat Street Northshore however will remain open until 10:00 pm (normal operating hours).

If you have any questions or concerns prior to the event, please visit the Northshore Have Your Say page and ask a question using the Q&A tab.

If you have queries on the day of the event, please approach a security guard on location or phone 13 QGOV (13 74 68).

We hope residents and businesses of Northshore will join in and celebrate the riverfront and Christmas.

The Northshore, Hamilton Reach, Eat Street and Portside Wharf teams.
