

NORTHSHORE HAMILTON – CEDAR ROAD & MACARTHUR AVENUE PROJECT

CONSTRUCTION UPDATE
ISSUE NUMBER 4 – October 2021

Carpark and Footpath Closure – MacArthur Avenue North

We wish to advise of further upcoming roadworks along MacArthur Avenue North, see attached plans.

What will the infrastructure works involve?

To cater for the future growth and development of the area it has become necessary to carry out roadworks to upgrade underground services such as electrical, gas, communications and watermain. The works will involve:

- trenching for installation of new services
- demolition of fencing and gardens along the property boundary

When will these changes take effect?

Roadworks commencing over the next 2- 3 weeks, for approximately 6-8 weeks, weather permitting .

What are the impacts of the works?

Stage 1

- Some of the existing carparks on the southern verge will be closed for the duration of the works as identified on the attached plans
- Cyclists will merge with traffic for the length of the work area – please follow installed road signage
- A portion of the pedestrian footpath on the southern verge between Angora Road and the first roundabout will be closed – pedestrians will be detoured to the northern side of MacArthur Avenue North.

Stage 2

- All of the existing carparks on the southern verge between Angora Road and the first roundabout will be closed for the duration of the works as identified on the attached plans
- Cyclists will merge with traffic for the length of the work area - please follow installed road signage
- Pedestrian footpath will be closed on the southern verge between Angora Road and the first roundabout.

We would like to thank residents and road users in the area for their patience and understanding while this important project progresses.
