

ROAD CLOSURE - MacArthur Avenue North

What is happening?

We wish to advise of an upcoming road closure at MacArthur Avenue North, Hamilton which is required to facilitate sewer infrastructure works.

When will these changes take effect?

The road closure is scheduled to be implemented on Thursday 10th October for a period of approximately 4 weeks, pending any weather impacts.

What impacts can I expect?

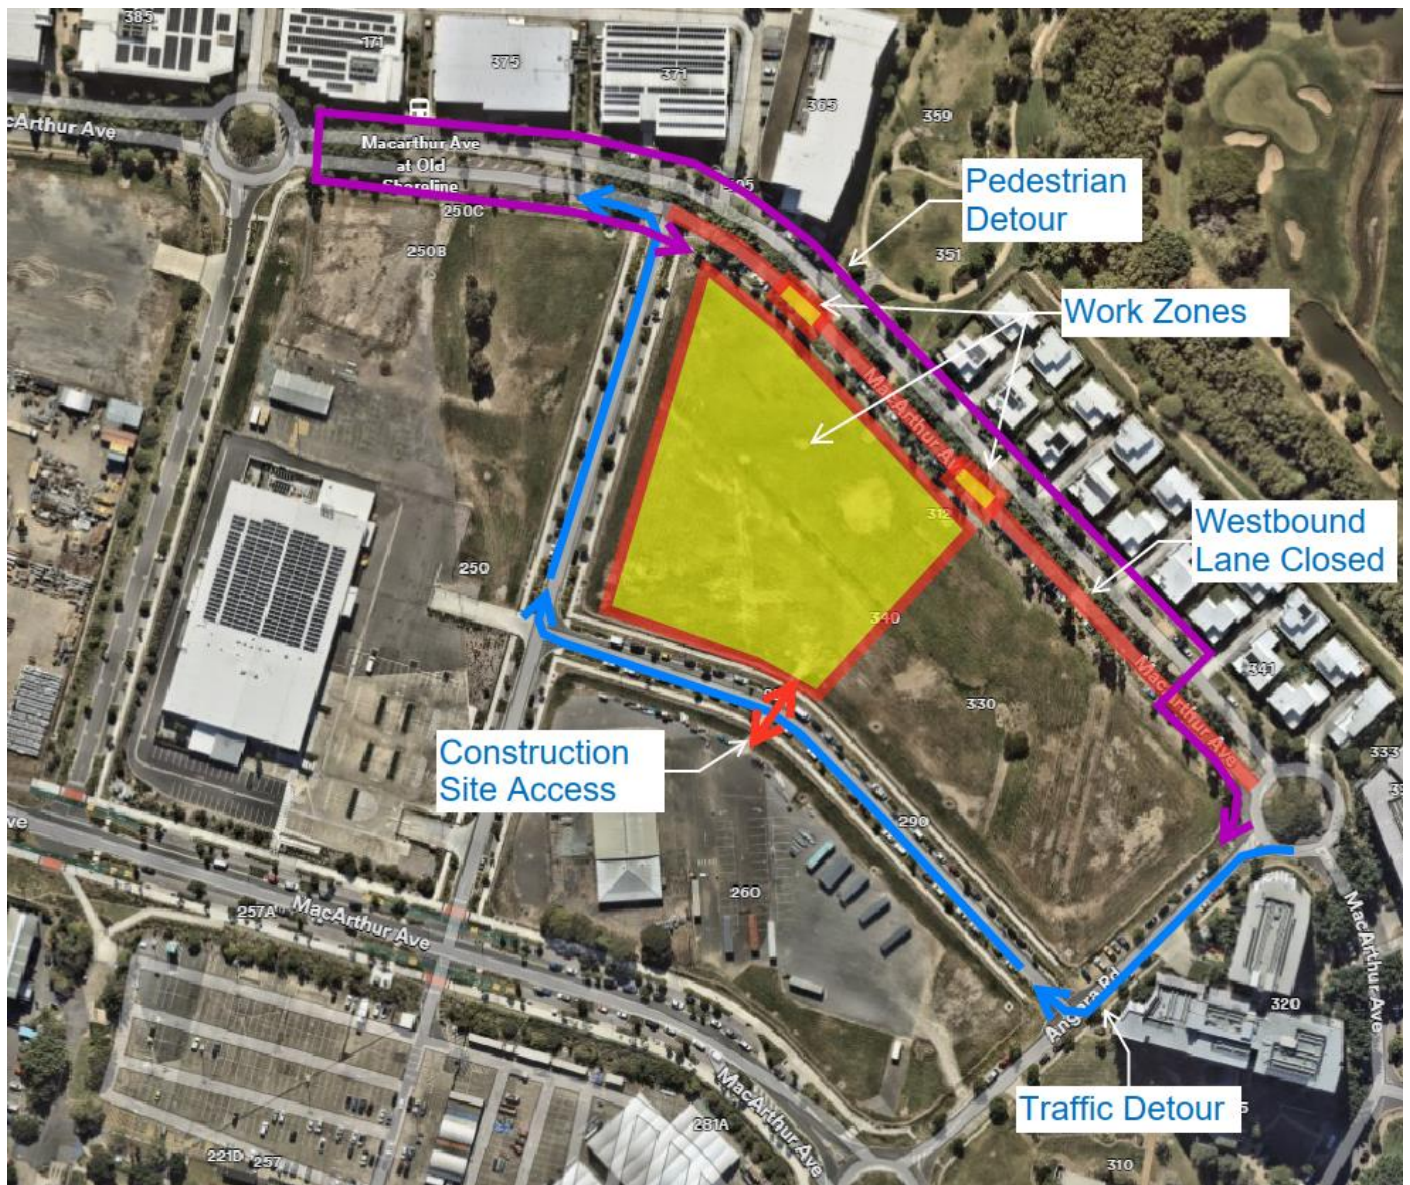

- **Changed traffic conditions** - The westbound lane of MacArthur Avenue North will be closed to road traffic, including cyclists, between Angora St and Barcham Rd. A detour will be in place as shown overleaf.
- **Pedestrian route** - The westbound footpath on MacArthur Avenue North will be closed to pedestrians. Pedestrians are able to use the footpath on the Eastbound carriageway.
- **Parking** - Parking bays within the road closure will be closed for the duration of works.
