WORKS NOTICE

Upcoming Construction Works – 19 River Rd Bundamba

The Minister for Economic Development Queensland (MEDQ) has engaged AR Developments to carry out subdivision works to deliver site-wide enabling infrastructure needed to facilitate the future delivery of new homes and a neighbourhood centre at 19 River Rd, Bundamba.

AR Developments is committed to undertaking the works in a considerate and responsible manner and will make every reasonable effort to minimize disruption to the surrounding Bundamba community throughout the construction period.

Works information

- Site establishment, earthworks and civil construction are due to commence in the coming weeks, with building works for the new homes to follow
- Permitted working hours are between 6:30am – 6:30pm Monday to Saturday excluding public holidays (as per council restrictions)

Stay up to date
